

Almost a **century** of experience.

**VAROUTSIKOS S.A**

“VAROUTSIKOS” customs brokerage agency was established in 1925 by Georgios P. Varoutsikos.

The booming trade at that time and the gradual development of Volos port, as an alternative transit commercial resource opened up a positive perspective for the profession.

In 1956 Panagiotis G. Varoutsikos took over the business, keeping priorities steadily orientated towards customs brokerage services, following Greek’s industrial revolution.

In 1986 our current managing director George P. Varoutsikos joined and took over the business and later evolved it to “VAROUTSIKOS SA”, which has grown to be the leading freight forwarding company in Central Greece.
